United States District Court for  
the Southern District of New York  
500 Pearl Street  
New York, N.Y. 10007

Re: Ermini v. Vittori  
Case No. 12-cv-06100(LTS)(HJP)

Dear Judge Swain:

Please be advised that I join in Respondent's request for changes to the present discovery schedule in connection with the above-captioned matter, particularly regarding the filing of pre-trial motions. I am still considering whether to present the child Emanuele as a witness which will require a request to the Court to take his testimony in a protective manner such as on closed circuit television. In addition, there is a delay in the receipt of the childrens' certified school records from their respective school districts.

Very truly yours,  
  
Jacqueline Sands
